Thank You Donors

Dear Cross Keys Foundation,
Thank you so much for your generous donations. It means so much to me and my students that there are people like you willing to support education. My students will be so excited to receive our new technology and to learn about all of the things that we will be able to do with it.

With Gratitude,
Ms. Earle

Dear Cross Keys Foundation,
We thank you so much for the books! Our class will now get to enjoy reading the book Wonder together along with learning different reading skills. We can't thank you enough for giving to our classroom because we will greatly benefit from using these books. We are so excited to read this together.

With gratitude,
Ms. Carr
